How would you like to be able to cast an astrology chart and interpret it in a mere 15 minutes? Already, over 250,000 people are using this powerful system. You can too, when you read *Astrology for the Millions* by Grant Lewi.

Does it sound impossible? It's not. In fact, it's so easy you'll be surprised. All you need to know is the day you were born. Throughout the book, you will find charts indicating the position of the planets in the signs on that day. For example, let's say you were born on September 10, 1969. Mercury is in Libra and Venus is in Leo. Next to this information is a number. Look up the number in the book and you will find the meaning of this relationship.

But the astrology you will learn in *Astrology for the Millions* goes beyond this. You will also discover the importance of transits in making predictions. Political commentators can make predictions based on polls and informants and then following the information to its logical outcome. Astrologers get information from the way the planets have moved over time in relation to the positions of the planets at your birth. They are then able to predict changes in your life and allow you to prepare for them so you can choose the direction you want to go. You will learn how to use transits to improve your life in all ways.

Astrology for the Millions has become popular because it is easy to use yet incredibly powerful and accurate. Don't be left out! Get your copy today.
