Bright and motivated, Irina Connors is a girl on the cusp of womanhood. Currently in her last year of high school in Seattle, she is an honor student with a bright future thanks to her determination and to a scholarship for which she may qualify. What began as a dream come true morphed into a daily grind of verbal abuse and bullying. Perceived as an awkward loner she has increasingly become the target of malicious and cruel attacks by a clique of wealthy girls and their boyfriends. One day those attacks go too far as her only school friend is cruelly humiliated and victimized. Irina retaliates for the first time, setting in motion a chain of events that seem to shatter her life and her dreams. The sorrowful and violent events that unfold in the aftermath of her retaliation will lead to her discovery of a unique race of people she couldn't begin to imagine. Halfway around the world a group of vampires has attacked and massacred another group of vampires which preys on humans. Seeking revenge, that group has tracked their attackers to Seattle. Caught between these two factions, Irina is suddenly, violently and unknowingly drawn into the conflict near the lowest emotional era of her life. You will grow to love her as you see her can-do spirit and experience her wry sense of humor. Although suffering emotional and physical trauma beyond comprehension she bravely forges ahead. Learning to control her impulses will be the key to her success in this new existence. Unimaginable events and possibilities present themselves in rapid-fire sequence in this new exciting, dangerous and chaotic life. 'Forever Young Irina' will captivate and introduce you the subject of vampires as you have never before seen it portrayed.
