IS OUR WORLD COMING TO AN END?

Progress tempts us to assume that our world will last indefinitely. But as we face a new millennium, it becomes increasingly apparent it won't.

Hurling Toward Oblivion is a guided tour of the realities that present a logical argument for the end of our age. Dr. Swenson combines the trends of social change, the nature of humankind, and the rapid advance of progress and technology in a fascinating and disturbing look at our most probable future. Understand our direction and why we are Hurling Toward Oblivion.
