Margaret and the Train Robbers (Lady Detective Book 2) Sterling Scott

A year after the daring 1855 theft of £12,000 worth of gold from the Folkestone train, the London Detectives have no suspects and no clues to follow. The politically embarrassed Chief of London Detectives turns to his skilled asset, Margaret Stuart, to bring her unique talents to bare upon the case. With an encouraging spanking behind her, Margaret quickly warms the cold case when the trail leads to an old foe. Whether it is her heels or her derriere in the air, she does her best work while lying down on the job. Margaret quickly turns the other cheek and her man gets her in the end.

This fast pace novella contains the history, mystery and romance in the Victorian age, and is a sequel to Miss Rowan Learns Her Lesson.
