The Evolution of Parental Care

Nick J. Royle, Per T. Smiseth, Mathias Kolliker

The Evolution of Parental Care Nick J. Royle, Per T. Smiseth, Mathias Kolliker

Parental care includes a wide variety of traits that enhance offspring development and survival. It is taxonomically widespread and is central to the maintenance of biodiversity through its close association with other phenomena such as sexual selection, life-history evolution, sex allocation, sociality, cooperation and conflict, growth and development, genetic architecture, and phenotypic plasticity.

This novel book provides a fresh perspective on the study of the evolution of parental care based on contributions from some of the top researchers in the field. It provides evidence that the dynamic nature of family interactions, and particularly the potential for co-evolution among family members, has contributed to the huge diversity of parental care behaviours expressed across as well as within taxa.

The Evolution of Parental Care aims to stimulate students and researchers alike to pursue exciting new directions in this fascinating and important area of behavioural and evolutionary biology.

From reader reviews:

Teddy Mendoza:

Have you spare time for a day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a go walking, shopping, or went to often the Mall. How about open or read a book eligible The Evolution of Parental Care? Maybe it is to become best activity for you. You know beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with the opinion or you have various other opinion?

Martha Doughty:

Book is to be different per grade. Book for children until adult are different content. As you may know that book is very important normally. The book The Evolution of Parental Care had been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The publication The Evolution of Parental Care is not only giving you much more new information but also to get your friend when you experience bored. You can spend your current spend time to read your e-book. Try to make relationship using the book The Evolution of Parental Care. You never feel lose out for everything when you read some books.

Billy Anderson:

Reading a e-book tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write for their book. One of them is this The Evolution of Parental Care.

Thomas Lemos:

Exactly why? Because this The Evolution of Parental Care is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who have write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.
