Violence against Girls and Women [2 volumes]: International Perspectives (Women's Psychology)

Janet A. Sigal, Florence L. Denmark

Sexual assault, sex trafficking, and child abuse affect millions of women and girls globally each year. This two-volume set covers a broad scope of topics, from violence against girls before birth, in childhood, and throughout women's adult lives.

- Presents valuable perspective from contributors who are members of NGOs working at the UN, providing an informed focus on international issues
- Examines violence against girls and women comprehensively, from before birth to old age
- Provides a wide breadth of coverage on international domestic violence issues in a single set
- Offers recommendations for reducing or eliminating violence within each chapter
- Appropriate for students of psychology or sociology of women, gender studies, and international studies
