Asterix and The Missing Scroll Jean-Yves Ferri

The long awaited new album featuring Asterix, the Gaul. Julius Caesar has finished writing the history of his campaigns in Gaul. His publisher, Libellus Blockbustus, foresees a huge success ...but there's a snag: the chapter about Caesar's defeats by the indomitable Gauls of Armorica. Cut it, Blockbustus advises, and everyone will believe that Caesar conquered all Gaul. Or will they? Newsmonger and activist Confoundtheirpolitix takes the chapter to Asterix's village. Can the Gauls make sure the truth is revealed? Following in the footsteps of Goscinny and Uderzo, the thirty-sixth Asterix album by Ferri and Conrad is a number 3 New York Times bestselling title.
