Bundle: Counseling Adolescents and Children: Developing Your Clinical Style + Workbook Deanna S. Pledge

This book provides readers with an understanding of theoretical bases, the counseling process, specific problems and disorders, and the professional issues that surround the work of counseling children and adolescents. Its unique child-centered, family approach to counseling emphasizes the interaction and assistance of family members, which is critical in the counseling process. Within the text's discussion of empirical knowledge regarding various aspects of working with children, adolescents, and families, Pledge offers practical information that students can readily apply to their work.
