Julia Boyd has dated more than her share of jerks, and she's done even pretending to like them—and her sharp tongue wouldn't let her fake it anyway. Putting her dating life on hold and focusing on her event planning career is a *much* safer bet for this salacious blue-eyed blonde...until she meets her newest client.

Organizing the opening for an art gallery should be a breeze for Julia, but gallery owner Alex Holt is becoming very distracting. Tall and muscular with enough charisma and sexy dimples to make Julia swoon (then salivate), Alex could be the perfect man. The two of them click immediately, creating enough witty banter to make her libido go into overdrive.

But just before flames of passion can erupt with Alex, Julia begins planning an engagement party...and learns the groom is Aiden, the man who broke her heart years ago. When Aiden admits that he still has feelings for Julia, everything changes. Should she seek shelter in the familiarity of the past, or should she risk everything on a hot new love?
