How to Become the Man Women Want to Love and Obey...in *Every* Way

In order to attract and more importantly, KEEP a good woman in your life you must become the kind of man that she simply cannot live without. This is your only job as a man when it comes to dating and relating with women.

You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man.

If a woman cannot respect you as a man she won't be able to trust you. If she isn't able to place her trust in you she simply cannot fall in love or STAY in love with you.

Discover the *Secrets* of What Women Want in a Man

You can learn everything you can about how to make women want you and still fail to master the "inner game" of being a man that naturally attracts women. Some guys even study all kinds of "seduction secrets" on attracting women, yet they only end up in terrible relationships with low-quality women.

Most guys simply don't understand how women think. If you asked the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg.

Here's what women really want from men...

Security.

How to Get the Respect, Desire, and *Unwavering* Loyalty of a Woman

If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. And get this, you don't need to be ridiculously good-looking or have a big bank account to make a woman feel secure with you.

There's a much better (and easier) way to attract a high-quality woman and make her happy. And this is what you're going to discover inside this book.

Here's what you're going to learn inside:

- How to understand women and the one thing that you can improve about yourself to make a woman want you more.
- **The reasons why a really great woman is HARD-WIRED by NATURE to CHASE the kind of man that possesses several qualities that are rare in most men. (Hint: These are the keys to attracting women and understanding how women think.)**
- Ten ways in which you can IMMEDIATELY begin working on yourself to become an overpowering magnet for the woman of your dreams.
- **How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised.**
- The unforgivable sin that can ruin your chances of getting (and keeping) a good woman. This is the thing that FORCES her to either want to DUMP YOU or CHEAT ON YOU without her understanding why.
- **How to take control of your emotions in any situation and be the rock that she needs you to be.**
- How to make a woman happy by being THE MAN in your relationship; you know – the one that “wears the pants.”
- **The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category.**
- Why men who suffer from the Nice Guy Syndrome have the most difficulties attracting women and why it's impossible for them to KEEP a phenomenal woman in their life.
- **How to become an alpha male and be more assertive with women. This is the key transforming yourself into the kind of man that she can confidently rely on and most importantly, RESPECT.**
- How to silence your “inner weakling” and become so secure with yourself as a man that she won't be able to entertain the thought of being with some other guy.
- **And much, much more...**
