Garry Brown:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this American Paintings: In the Metropolitan Museum of Art Volume III can make you feel more interested to read.
