Sofie Callahan has spent the months since her father's death avoiding anything to do with her hometown. But with her brother in Afghanistan, she has no choice but to return and sort out her father's house, even if it means facing the boy she fell in love with and revealing the reason she left.

Conner has questions, and when his broken heart and her guilty one collide, Sofie has to start answering them. Their present is rocky, their future unknown. Only one thing is certain: Sofie's daughter will change everything.
