"Flockhart's books make math fun again. Teachers, students, and parents will love this program."

--Jeffrey R. Thomas, founder and CEO, SportsBuff.com; president, Fantasy Sports Trade Association

This workbook is designed to be used in conjunction with Fantasy Football and Mathematics: A Resource Guide for Parents and Teachers. The games and activities in Fantasy Football and Mathematics were created to get you excited about learning and practicing math, even if you are not a big sports fan.

Here's how it works. You will create a Fantasy Football team by picking real-life players, following your players' statistics, and calculating your team's total points using one of the equations your teacher provides. In addition to the basic Fantasy Football game, your workbook contains worksheets for extra practice on 46 different math concepts.

So join the winning math team with Fantasy Football and Mathematics!
