**NRI : Now, Returned to India (Amol Dixit Series Book 1)** Amar Vyas

Moving back to India was the last thing on Amol Dixit's mind when he was leading a carefree life in Chicago. But one day, he found himself sleeping on the streets of Mumbai.

Now, Returned to India, is a humorous account and a Back-To-Rags story of Amol Dixit, a man in his early thirties, who relocates to India in haste. A series of missteps throw his life in turmoil and cost him the woman he loves. He also learns that living with his parents, Aai and Baba, after nearly fifteen years is not easy. Disagreements with his boss Paresh eventually leads him to quit his job and he goes broke. Amol learns the hard way that living in India is no cakewalk and his life becomes a How To Guide (rather, How Not To Guide) about making an unplanned move to India. Will he decide to return to his life in North America? What will he do to climb out of the hole he is in? Will he find his life partner the arranged marriage way? Most importantly, will he discover what being a NRI actually means?

This novel depicts how and what Amol learns about relationships, friendship, anxiety, challenges at workplace, living with aging parents, and adopt to the cultural heritage he had left behind nearly ten years ago. At the same time, he has to accept that the Indian society is rapidly changing. The novel is set in the time period between 2008 to 2010.

Readers who liked Yes, My Accent Is Real will find this book in a similar vein. Or maybe in a curious way, Amol resembles P G Wodeshouse's Bertie.

#### **Mary Brott:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this NRI : Now, Returned to India (Amol Dixit Series Book 1) can make you truly feel more interested to read.
