Preparing for Ministry: A Practical Guide to Theological Field Education

Preparing for Ministry: A Practical Guide to Theological Field Education

Most seminaries now require their students to get real world training by way of supervised theological field education. This volume presents the wide array of issues that must be understood in order to integrate theological education and practical ministry, including the importance of theological field education, its purpose and challenges, the need for flexibility in meeting different students' needs, and the resources available to create a meaningful and educational experience.
