South Park Guide to Life

South Park Guide to Life

Since the first episode aired on Comedy Central in 1997, *South Park* has proven to be one of the most socially relevant and downright hilarious television shows of all time. No series skewers pop culture and politics with more effective wit and wisdom than *South Park*—from dysfunctional family life to bad manners to the entire country of Canada, for the residents of this tiny town, no subject is sacred or taboo!

A regular ratings monster and Emmy-winner, *South Park* is also an unlikely source of advice on all facets of life. Stan, Kyle, Cartman, and Kenny along with the rest of the town offer hilariously twisted insights and questionable counsel on topics such as teamwork, spirituality, and the opposite sex. *South Park Guide to Life* is a much anticipated collection of colorful illustrations and original lines from the show. Great for grads and fans alike!
