Evolutionary Faith: Rediscovering God in Our Great Story

Diarmuid O Murchu

Evolutionary Faith: Rediscovering God in Our Great Story Diarmuid O Murchu

Where did the world come from? When did it begin? Where is it headed? What are we here for? What does it all mean? And what is the next evolutionary leap?

Diarmuid O'Murchu offers exciting answers -- and other intriguing questions -- in this popular synthesis of science, theology, and spirituality. As a species, humanity stands on a new evolutionary threshold. O'Murchu deconstructs old paradigms and reveals new horizons that offer vision and hope not only for the future but for the present. Like Quantum Theology, Evolutionary Faith is a groundbreaking book for our times.
