## **Spinward Fringe Broadcast 9: Warpath (Volume 11)** Randolph Lalonde

The war is on! Conflict grips the Iron Head Nebula as well as the star system that Jake, Ayan, Minh-Chu and their loved ones call home. The Order of Eden, British Alliance and other organisations enter into an all-or-nothing conflict that will change the shape of the galaxy for centuries while Freeground is forced to leave its home space in search of help and safety. This is what the crew of the Triton, the Warlord and the residents of Haven Shore hoped to avoid, but it was inevitable. The great galactic war has begun, and there are even more combatants waiting in the shadows to exert their influence on the conflict.
