Dulcan's Textbook of Child and Adolescent Psychiatry Mina K. Dulcan

This thoroughly updated and more compact edition of Dulcan's Textbook of Child and Adolescent Psychiatry is designed to be used as a core textbook for child and adolescent psychiatry fellowship training as well as a reference for practicing child and adolescent psychiatrists, pediatricians, family physicians, advanced practice nurses, psychologists, psychiatric social workers, and others. The first text of its kind to be DSM-5 compatible, it provides current diagnostic information for the mental health clinician in training or the practicing clinician seeking an update. Each chapter highlights what we know about evidence-based practices in assessment and treatment, covering the most important topics in an improved, more efficient format. Each chapter concludes with summary points and references, to consolidate learning and provide sources for those who wish to learn more. Dulcan's Textbook of Child and Adolescent Psychiatry, 2nd Edition, is both a classic reference and the most current comprehensive text.
