The groundbreaking book on recovering from infidelity and surviving marital affairs . . . and coming out stronger and more in love than ever. Courageous, bold, honest. Brian (husband): After nearly two decades of marriage to a sexy, loving woman - with whom I made love almost every night - I came home from work one evening and told her I was moving out, leaving her for another woman. Lucky for me, my wife refused to give up on our marriage. We are now closer and more committed than ever. What you're probably wondering is, if I loved my wife so much, why did I do it? In this book, I have answered that question. Danielle (teenage daughter): When my father told me he was leaving my mother for another woman, I felt it was me he was abandoning. I wondered "what has my whole life been so far, a joke" In this book, I share the truth about my feelings Anne (wife): My Husband's affair became the best thing that ever happened to me, yes eventually, but it was also the most devastating of my life. There was a time when I wondered if I could even live through it. What people are saying. "Riveting . . . Mesmerizing . . . I couldn't put the book down" "My Husband's Affair" deliberately removes itself from providing "the theoretical and psychological" explanations for the why of infidelity and instead purposes to take readers on a gut-honest, courageous, straight-from-the-heart journey into the lives of a couple/family who endured the aftermath of an affair. A must-read before couples, facing infidelity, make life decisions they may later regret. This book provides an alternative to the expected . . . hope that it's not over. Don Huston, BTh, MC, RCC, Couples Therapist This book makes a wonderful contribution to the growing willingness of couples to "break the code of silence" and share their experience with affairs in order to help others. It offers clear insight into the pain involved as well as great hope for the power to recove
