## **A Guide to South Carolina Beaches** William W. Starr

For longtime sandlappers or those planning a first trip to the South Carolina coast, *A Guide to South Carolina Beaches* introduces the character, history, features, and attractions of some of the finest beaches in the United States (from Little River to the Savannah River, South Carolina has a 180-mile coastline). There's a wealth of information for anyone interested in the fun and facts of beachgoing in the Palmetto State: Where are the best waves for surfing? Who's got the tastiest seafood restaurants? Where are the most beautiful golf courses? What are the best beaches for families with young children? Starr also examines the history of each locale, replete with stories of colorful personalities and fascinating events from South Carolina's past and present. *A Guide to South Carolina Beaches* captures the many ambiances of the state's coastal towns and resorts. What gives each place its special appeal? Why do families love it so? Why has it become so popular and nationally renowned? Using custom-designed maps and numerous illustrations, Starr explores popular vacation spots like the Isle of Palms, Pawleys Island, Myrtle Beach, and Cherry Grove; private resort communities like Debordieu and Kiawah Island; natural treasures like Cape Romain National Wildlife Refuge and Huntington Beach State Park; and the Gullah communities of St. Helena and Daufuskie islands. South Carolina's coastal communities have witnessed key historic events and inspired some of the state's most distinctive cultural expressions. The guide also captures the myriad recreational opportunities along the South Carolina coast, from shell collecting and moon gazing to beer drinking and shag dancing. *A Guide to South Carolina Beaches*, informative and entertaining for natives and visitors to the state alike, is an invaluable resource for anyone planning a getaway to the Palmetto coast or for the armchair traveler who will one day soon splash in the surf at Folly Beach or contemplate the wild beauty of Hunting Island.
