Karl Marx

Capital, Volume One: A Critique of Political Economy Karl Marx

Hailed by Friedrich Engels as "the bible of the working class," this 1867 classic of political economics changed the course of history. Thirty years in the making, *Capital, Volume I* was the first installment of Karl Marx's three-part *Das Kapital* and the only volume published during his lifetime. Marx declared that society is evolving from crude, unbalanced economic systems toward a utopian state — specifically, communism. His critiques of private property and class struggles aroused tremendous interest and exercised an influence that resonates to this day.

Marx offers a penetrating analysis of capitalism's inner workings, examining commodities, value, money, and other factors related to the system's historic origins and contemporary functions. These considerations form the framework for his conclusion: the system cannot be reformed and must be overthrown by a revolution, resulting in a socialist society in which production serves the needs of every individual rather than generating profits for the few.

From reader reviews:

Mary Edick:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Along with book everyone in this world may share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Capital, Volume One: A Critique of Political Economy.

John Silverstein:

Exactly why? Because this Capital, Volume One: A Critique of Political Economy is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.

Shawn Jones:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, and then why you don't try matter that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Capital, Volume One: A Critique of Political Economy, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't understand it, oh come on its known as reading friends.

Evan Reyes:

Many people spending their period by playing outside having friends, fun activity having family or just watching TV all day long. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book can actually hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Capital, Volume One: A Critique of Political Economy which is getting the e-book version. So , why not try out this book? Let's view.
