Culture and Customs of Namibia (Cultures and Customs of the World) Anene Ejikeme

Namibia is a sizeable and significant country in southern Africa that is little known to the outside world. A vast country of startling beauty with a storied history, including one of the world's worst genocides and a war of independence that lasted nearly a quarter century, this "land between two deserts" is a fascinating result of its African, German, and English influences.

Culture and Customs of Namibia is one of very few English language works written about Namibia's history, culture, and society. The book reveals details about Namibian daily life, gender relations, modern youth culture, and the influence of traditional cultures that allow readers to appreciate this country's unique character. A section on tourism explains how Namibia—an extremely arid country with an immense number and diversity of wildlife—is on the cutting edge of ecotourism.

From reader reviews:

Cindy Grant:

What do you think of book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Culture and Customs of Namibia (Cultures and Customs of the World). All type of book would you see on many resources. You can look for the internet solutions or other social media.

Ruth Michel:

What do you with regards to book? It is not important to you? Or just adding material when you really need something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question since just their can do which. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this Culture and Customs of Namibia (Cultures and Customs of the World) to read.

Dennis James:

Reading a book being new life style in this yr; every people loves to read a book. When you read a book you can get a lots of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The Culture and Customs of Namibia (Cultures and Customs of the World) provide you with a new experience in reading through a book.

Gale Velez:

As we know that book is important thing to add our information for everything. By a e-book we can know everything we want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This publication Culture and Customs of Namibia (Cultures and Customs of the World) was filled in relation to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading any book. If you know how big selling point of a book, you can sense enjoy to read a publication. In the modern era like at this point, many ways to get book that you just wanted.
