OPENING MOVE.

After executing a hit on a fellow assassin in Algiers, Victor—the world's deadliest hit man—is contracted by the CIA for an assignment that will take him across Europe to the blood-stained streets of Rome...and straight into hell.

COUNTER MOVE.

Victor must pose as his previous—and very much dead—target to figure out who the killer's next victim was going to be. But what was supposed to be a quick operation soon becomes much more complicated and treacherous.

FINAL MOVE.

Forced to work with a group of ruthless mercenaries, Victor will face a choice he would rather not make: do the right thing, or sacrifice the only thing in the world he truly cares about—his own life.
