The Voice from Inside: Failure Brings New Knowledge Mr. John Wannamaker

“The Voice from Inside” is the first book by professional speaker John Wannamaker. The book is about finding yourself in the midst of heartache, turmoil, break-up and failure and then how to redefine yourself with new knowledge. This book is a collection of his best blogs and the blogs he refused to publish during his time in federal prison. He captures the transparency angle of prison and tells of how the prison system is a microcosm of our society (families, neighborhoods and cities). These thought-provoking entries open your mind to other areas of thought. “You know what you know, you know what you don’t know, but you don’t know, what you don’t know,” is how John views the ideas expressed in this book. You can use this book for your own life and any problem you may encounter by allowing the ideas and suggestions expressed to open your mind to different views and angles that will allow you to solve your own issues, whether inside prison or living a normal life of freedom. John uses his personal struggles, witty-humor, intelligent thoughts and obscure views to detail the days of struggle he faced. He gives the candid presentation of what is before him and how it starkly parallels to the issues facing our daily lives outside of confinement. The Voice from Inside is a book that details his voice from within the federal prison walls and also from within a man who is a believer in God, a believer in life, and a believer in helping others through the darkness. This book will invigorate your thoughts, create a conversation, and provide a snapshot view of areas which need collective attention and transparency only truly conscious people can provide. If you are a do-er or thinker, this book is a catalyst for change.
