Mallory Monroe

Dutch Harbor, the President of the United States, returns from a trip abroad concerned about his daughter's erratic behavior. She not only seeks to link him sexually to her mother, but to destroy Gina, his African-American wife, in the process. She teams up with Gina's half-brother, an ex-con who has his own agenda, to bring down the First Couple.

But the situation takes a drastic turn when an encounter from Dutch's past comes back to haunt him, and when those Washington schemes and plots collide in a dangerous intersection of passion and greed that leaves the very heart of Dutch and Gina in the balance.

In the sixth installment of the President's Girlfriend/Dutch and Gina series, the interracial couple discovers that the enemy from within can sometimes be far more deadly, and devastating, than any from without.
