50 Shades of Black and White: A Biblical Response to 50 Shades of Grey Selena Sarns

This book is not part of the 50 Shades of Gray series but is a Bible-based response and devotional book from a Christian perspective. E.L. James trilogy 50 Shades of Gray has sold over 40 million copies. And though wildly popular with Christian readers, the content of the book can be damaging to our view of sex and our relationship with God. This book is not anti-sex. Let's be honest. Sex is good. Sometimes it's even great. It feels good and is the most intimate and expressive way of connecting between a man and a woman. But because it is also one of the least talked about subjects in church, we can view it as a subject that isn't relevant to God or our faith. This book is a Christian response to the best-selling 50 Shades of Grey in an easy to read, 50 day devotional format. These Bible-based readings will help you delve more deeply into what God's Word says about sex, our lives, and our faith in God.
