An exceptional dumpling fulfills three criteria:

- First, a supple, slightly chewy skin that ranges from delicately thin to heartily medium-thick.
- Second, a filling that's appropriately juicy, derived from the broth of meat or the liquid of vegetables.
- Third the savory stew dumpling!

Whether from the United States, China or Italy, seemingly every culinary culture has a dumpling to call its own. Either fried or boiled, filled or doughy, homely or origami-perfect, dumplings the world over are almost always comforting tidbits that are handmade with love. The names themselves are often as endearing and fun to chew on as the bite-sized shapes: think of Tibetan momo, Russian pelmeni, Indian idli.

There's a difference between the pleasantly doughy boiled dumpling and the chewier, semi-translucent steamed dumpling and this cd covers them all!
