## **History of Western Civilization: A Handbook** William H. McNeill

Renowned historian William H. McNeil provides a brilliant narrative chronology of the development of Western civilization, representing its socio-political as well as cultural aspects. This sixth edition includes new material for the twentieth-century period and completely revised bibliographies. An invaluable tool for the study of Western civilization, the *Handbook* is an essential complement to readings in primary and secondary sources such as those in the nine-volume *University of Chicago Readings in Western Civilization*.
