Ontology Matching Jérôme Euzenat, Pavel Shvaiko

Ontologies are viewed as the silver bullet for many applications, but in open or evolving systems, different parties can adopt different ontologies. This increases heterogeneity problems rather than reducing heterogeneity. This book proposes ontology matching as a solution to the problem of semantic heterogeneity, offering researchers and practitioners a uniform framework of reference to currently available work. The techniques presented apply to database schema matching, catalog integration, XML schema matching and more.

From reader reviews:

Rodney Mitchell:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each book has different aim as well as goal; it means that e-book has different type. Some people sense enjoy to spend their a chance to read a book. These are reading whatever they get because their hobby is reading a book. Think about the person who don't like examining a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you will require this Ontology Matching.

Carlo Young:

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question because just their can do which. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this specific Ontology Matching to read.

Robert Hicks:

Do you considered one of people who can't read enjoyable if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Ontology Matching book is readable simply by you who hate the straight word style. You will find the facts here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to supply to you. The writer connected with Ontology Matching content conveys the idea easily to understand by many individuals. The printed and e-book are not different in the articles but it just different available as it. So , do you still thinking Ontology Matching is not loveable to be your top collection reading book?

Corey Watts:

Reading a book make you to get more knowledge from this. You can take knowledge and information from the book. Book is created or printed or created from each source that will filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just in search of the Ontology Matching when you required it?
