Rosslyn and the Grail

Mark Oxbrow, Ian Robertson

Rosslyn and the Grail Mark Oxbrow, Ian Robertson

The secrets of Scotland's Rosslyn Chapel have remained hidden for centuries. After a decade of research, two Scottish historians have pieced together the real story. Millions of people worldwide became familiar with the mystery of Rosslyn through Dan Brown's blockbuster novel *The Da Vinci Code*, and hundreds of thousands have since travelled there to marvel at its magnificent carvings and to wonder if some fabulous treasure lay buried beneath its medieval walls. Pseudo-history writers, Grail seekers, and conspiracy theorists claim that the secret history of the Holy Bloodline of Christ, the Ark of the Covenant, the embalmed head of Jesus, and the legendary treasure of the Knights Templar are all buried under Rosslyn Chapel. But what is the truth? Did the Templars really escape to Scotland? Does the enchanted White Lady of Rosslyn actually guard the Holy Grail? Was the chapel built to hide the Treasure of the Temple of Jerusalem?
