Sylvia Plath: Drawings Sylvia Plath, Frieda Hughes

Sylvia Plath: Drawings is a portfolio of pen-and-ink illustrations created during the transformative period spent at Cambridge University, when Plath met and secretly married poet Ted Hughes, and traveled with him to Paris and Spain on their honeymoon, years before she wrote her seminal work, *The Bell Jar*.

Throughout her life, Sylvia Plath cited art as her deepest source of inspiration. This collection sheds light on these key years in her life, capturing her exquisite observations of the world around her. It includes Plath's drawings from England, France, Spain, and New England, featuring such subjects as Parisian rooftops, trees, and churches, as well as a portrait Ted Hughes.

Sylvia Plath: Drawings includes letters and diary entries that add depth and context to the great poet's work, as well as an illuminating introduction by her daughter, Frieda Hughes.

It is most important to arrange yourself to make your knowledge still up-to-date. Let's try to choose the correct ways for you.

Mike Hart:

As a student, I exactly feel bored to help with reading. If their teacher expected them to go to the library in order to make a summary for some guide, they are complained. Just small students that have reading as an internal or real pastime. They just do what the teacher wants, like going to the library. They go there but nothing is really read. Any student feels that looking at is not important, boring, and can't see colorful pictures on there. Yeah, it is being complicated. A book is very important to suit your needs. As we know that in this era, there are many ways to get whatever we want. Likewise, word says, ways to reach Chinese's country. Therefore, this Sylvia Plath: Drawings can make you feel more interested to read.
