The Voyage of the Endeavour G. Arnold Woods

The Voyage of the Endeavour is undoubtedly one of the most delightfully readable and authentic accounts ever written of Captain James Cook's first memorable voyage of exploration. Its republication at this time commemorates not only the 200th anniversary of the discovery by Cook of the east coast of Australia, but also the work of an historian who was a pioneer among Australian historical writers.

Professor Wood brought a freshness to the study of Australian history that was at that time rare and wrote in a manner that was pleasant for a layman to read and at the same time useful to the student.

He strove after and achieved authenticity. This present text is thus exactly as Professor Wood wrote it. He was able to use the then newly discovered manuscript journal of Captain James Cook and he drew faithfully from the original. The result is a book that can be recommended to the young as well as to older readers. In my opinion there is no more accurate or vivid account of Cook's first voyage.

From reader reviews:

Dora Campfield:

People live in this new morning of lifestyle always try and must have the spare time or they will get lot of stress from both daily life and work. So , once we ask do people have time, we will say absolutely of course. People is human not really a huge robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative with spending your spare time, often the book you have read is usually The Voyage of the Endeavour.

Gregory Phipps:

Playing with family inside a park, coming to see the water world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love The Voyage of the Endeavour, you may enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't have it, oh come on its referred to as reading friends.

Vera Harris:

The Voyage of the Endeavour can be one of your starter books that are good idea. Many of us recommend that straight away because this publication has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to set every word into delight arrangement in writing The Voyage of the Endeavour yet doesn't forget the main level, giving the reader the hottest and also based confirm resource information that maybe you can be certainly one of it. This great information can drawn you into completely new stage of crucial pondering.

Thomas Pilcher:

Your reading 6th sense will not betray an individual, why because this The Voyage of the Endeavour e-book written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and publishing skill only for eliminate your own hunger then you still uncertainty The Voyage of the Endeavour as good book not merely by the cover but also by content. This is one e-book that can break don't judge book by its protect, so do you still needing a different sixth sense to pick this specific!?! Oh come on your reading sixth sense already alerted you so why you have to listening to yet another sixth sense.
