Your Boy: Raising a Godly Son in an Ungodly World Vicki Courtney

If you are the mother of a son eighteen years old or younger, especially one in the tween or teen years, then you know that you are in a war for his mind, body, and soul. From his very first step to his first big steps into manhood, the things of this world relentlessly compete for his attention.

Best-selling author Vicki Courtney's *Your Boy* keenly observes the complex culture young men face today and shows what mothers can do in spite of negative worldly influences to raise godly sons.

"As mothers we have a brief time to make a godly impact on our sons; to grow the next generation of godly men. It is perhaps the highest calling God can give a woman," Vicki writes.

Frogs and snails and puppy dog tails; we know what little boys are made of. Now find out what it takes to make a man.
