Broken: My Story of Addiction and Redemption William Cope Moyers

Unlike some popular memoirs that have fictionalized and romanticized the degradations of drug addiction, *Broken* is a true-life tale of recovery that stuns and inspires with virtually every page. The eldest son of journalist Bill Moyers, William Cope Moyers relates with unforgettable clarity the story of how a young man with every advantage found himself spiraling into a love affair with crack cocaine that led him to the brink of death-and how a deep spirituality allowed him to conquer his shame, transform his life, and dedicate himself to changing America's politics of addiction.
