The Starter Wife Gigi Levangie Grazer

When her husband Kenny dumps her (by cell phone) mere months before their ten-year wedding anniversary, Gracie Pollock finds herself reeling. Though her role as the wife of a semifamous Hollywood studio executive often left her cold, Gracie had grown accustomed to the unique privileges extended to Tinseltown's power elite: reservations at Spago on a Friday night; beauty treatments by dermatologists (Arnie), manicurists (Jessica), and colorists (Christophe) to the stars; line-jumping at Disneyland with her daughter and Ugg-wearing celebrity offspring. And despite consenting to naming their daughter Jaden in a (failed) attempt to lure Will Smith into one of Kenny's productions, Gracie believed she and Kenny were different from other Hollywood couples. She never thought she'd be a starter wife. But now that her marriage is over, she's a social pariah, and it's only through a faux pas by her world-class florist that she learns her husband has upgraded: Kenny is dating a pop tartlet. With images of the 'tween queen everywhere she turns, Gracie seeks refuge at her best friend's Malibu mansion for some much-needed divorce therapy. Soon she's associating with all the wrong people, including a mysterious hunk who saves her from drowning, the security guard at her gated community, and – God forbid – Kenny's boss, one of Hollywood's better-known Lotharios. With her signature wit, sassy style, and cameos of the rich and famous – and wannabe rich and famous – Gigi Grazer tackles the most delicious and dastardly details of a divorce and recovery, Hollywood style.

From reader reviews:

Gloria Brower:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try issue that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Starter Wife, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

Kina Chatman:

Would you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its protect may doesn't work here is difficult job because you are frightened that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer might be The Starter Wife why because the excellent cover that make you consider in regards to the content will not disappoint anyone. The inside or content is usually fantastic as the outside as well as cover. Your reading sixth sense will directly assist you to pick up this book.

Gloria Lockwood:

Many people spending their time frame by playing outside together with friends, fun activity having family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, think reading a book really can hard because you have to take the book everywhere? It okay you can have the e-book, having everywhere you want in your Smartphone. Like The Starter Wife which is having the e-book version. So , why not try out this book? Let's view.

Dorothea Proffitt:

This The Starter Wife is fresh way for you who has attention to look for some information because it relief your hunger info. Getting deeper you onto it getting knowledge more you know or you who still having small amount of digest in reading this The Starter Wife can be the light food to suit your needs because the information inside this book is easy to get simply by anyone. These books develop itself in the form and that is reachable by anyone, that's why I mean in the e-book application form. People who think that in book form make them feel sleepy even dizzy this e-book is the answer. So there isn't any in reading a book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book sort for your better life as well as knowledge.
