Art History as Cultural History: Warburg's Projects (Critical Voices in Art, Theory and Culture)

Richard Woodfield

This book focuses on Aby Warburg (1866-1929), one of the legendary figures of twentieth century cultural history. His collection, which is now housed in the Warburg Institute of the University of London bears witness to his idiosyncratic approach to a psychology of symbolism, and explores the *Nachleben* of classical antiquity in its manifold cultural legacy. This collection of essays offers the first translation of one of Warburg's key essays, the Gombrich lecture, described by Carlo Ginzburg as 'the richest and most penetrating interpretation of Warburg' and original essays on Warburg's astrology, his *Mnemosyne* project and his favourite topic of festivals. Richard Woodfield is Research Professor in the Faculty of Art and Design at the Nottingham Trent University, England. He has edited E.H Gombrich's *Reflections on the History of Art* (1987), *Gombrich on Art and Psychology* (1996), *The Essential Gombrich* (1996), and a volume on Riegl in the *Critical Voices in Art, Theory and Culture* series. He is also the General Editor of a new series of books for G+B Arts International, *Aesthetics and the Arts*. Edited by Richard Woodfield, Research Professor in the Faculty of Art and Design at Nottingham Trent University, UK.

This book and that is qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking right up and review this book you can get many advantages.

Barbara Hall:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Art History as Cultural History: Warburg's Projects (Critical Voices in Art, Theory and Culture) can make you really feel more interested to read.
