Cartboy and the Time Capsule (Cartboy Series) L. A. Campbell

Cartboy and the Time Capsule by L. A. Campbell is a laugh-out-loud debut novel for young readers about sixth-grader Hal Rifkind-unfortunately nicknamed "Cartboy"-and his horribly historic, hilarious year. Hal hates history class-it literally bores him to tears. But his father is a big history buff, and unless Hal gets a good grade this year, he'll never get his own room. Sixth grade gets off to a horrible start when history teacher Mr. Tupkin gives the class an assignment to write journals that will be buried in a time capsule at the end of the year. Things get even worse when his dad makes him take his neighbor's old shopping cart to school, earning him the nickname "Cartboy." What else could possibly go wrong? Read Hal's journal to find out!

Filled with photos, drawings, and timelines, Hal's time capsule journal chronicles a year in the life of the hopelessly hapless Cartboy.

Lorraine Joyner:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Cartboy and the Time Capsule (Cartboy Series) can make you sense more interested to read.
