For colleges and universities around the world, Financial Accounting IFRS, 2nd Edition by Jerry J. Weygandt, Paul D. Kimmel, and Donald E. Kieso, is designed to assist students learning accounting topics under the rules of IFRS. The book addresses every accounting topic from the perspective of IFRS and includes examples based on international companies. Following the reputation for accuracy, comprehensiveness, and currency, this highly anticipated new edition retains key features, such as the table of contents, comprehensive problem sets, and accuracy, on which users of Weygandt Financial Accounting IFRS have come to rely. The focus of this text is on international companies, discussing financial accounting principles and procedures within the context of IFRS, and providing end-of-chapter exercises and problems that present students with foreign currency examples such as the yen or euro.

Students using WileyPLUS do real accounting, get real results. WileyPLUS is a student-centered learning and assessment online environment, where students complete automatically graded homework, get feedback on their answers, and access learning materials like the eText at the point of learning. Students come to class prepared because the program is designed to meet the needs of today's accounting classroom with an innovative question design that facilitates effective learning of accounting concepts, skills, and procedures.

WileyPLUS sold separately from text.
