## ***Judgment in Death***

In an uptown strip joint, a cop is found bludgeoned to death. The weapon's a baseball bat. The motive's a mystery. It's a case of serious overkill that pushes Eve Dallas straight into overdrive. Her investigation uncovers a private club that's more than a hot spot. Purgatory's a last chance for atonement where everyone is judged. Where your most intimate fate depends on your most intimate sins. And where one cop's hidden secrets are about to plunge innocent souls into vice-ridden damnation....

## ***Betrayal in Death***

At the luxurious Roarke Palace Hotel, a maid walks into suite 4602 for the nightly turndown and steps into her worst nightmare. A killer leaves her dead, strangled by a thin silver wire. He's Sly Yost, a virtuoso of music and murder. A hit man for the elite. Lieutenant Eve Dallas knows him well. But in this twisted case, knowing the killer doesn't help solve the crime. Because there's someone else involved. Someone with a more personal motive. And Eve must face a terrifying possibility that the real target may, in fact, be her husband Roarke....

## ***Seduction in Death***

Dante had been courting his victim in cyberspace for weeks before meeting her in person. A few sips of wine and a few hours later, she was dead. The murder weapon: a rare, usually undetectable date-rape drug with a street value of a quarter million dollars. Detective Eve Dallas is playing and replaying the clues in her mind. The candlelight, the music, the rose petals strewn across the bed—a seduction meant for his benefit, not hers. He hadn't intended to kill her. But now that he has, he is left with only two choices: to either hole up in fear and guilt or start hunting again....

## ***Reunion in Death***

At exactly 7:30 p.m., Walter Pettibone arrived home to over a hundred friends and family shouting, "surprise!" It was his birthday. Although he had known about the planned event for weeks, the real surprise was yet to come. At 8:45 p.m., a woman with emerald eyes and red hair handed him a glass of champagne. One sip of birthday bubbly, and he was dead. The woman's name is Julie Dockport. No one at the party knew who she was. But Detective Eve Dallas remembers her all too well. Eve was personally responsible for her incarceration nearly ten years ago. And now, let out on good behavior, she still has nothing but bad intentions. It appears she wants to meet Dallas again—in a reunion neither will forget....

## ***Purity in Death***

Louie Cogburn had spent three days holed up in his apartment, staring at his computer screen. His pounding headache was unbearable—like spikes drilling into his brain. And it was getting worse. Finally, when

someone knocked at his door, Louie picked up a baseball bat, opened the door, and started swinging.... The first cop on the scene fired his stunner twice and Louie died instantly. Detective Eve Dallas has taken over the investigation, but there's nothing to explain the man's sudden rage or death. The only clue is a bizarre message left on his computer screen: Absolute Purity Achieved. And when a second man dies under nearly identical circumstances, Dallas starts racking her brain for answers and for courage to face the impossible...that this might be a computer virus able to spread from machine to man....
