***The Hiram Key* is a book that will shake the Christian world to its very roots. When Christopher Knight and Robert Lomas, both Masons, set out to find the origins of Freemasonry they had no idea that they would find themselves unraveling the true story of Jesus and the original Jerusalem Church. As a radically new picture of Jesus started to emerge, the authors came to the startling conclusion that the key rituals of modern Freemasonry were practiced by the early followers of Jesus as a means of initiation into their community.**
