Now you can use astrology to learn the secrets that will help you come to understand the intricacies of your relationships with other people, when you get *Composite Charts* by one of astrology's premier innovators, John Townley.

Have you ever noticed that relationships seem to have a life of their own? There is something that comes into being between people when they form a close association, something that makes each person act in ways that are unique to that particular combination. We call it "chemistry," and it can be good or bad. But what is it? It is almost as if the relationship were a type of being with its own life and development.

In 1973, John Townley solved the problem once and for all when he introduced the method known as the composite chart. Here was the key that unlocked the secret essence of any relationship. Now, after more than 25 years of further research and experience, he returns to this remarkable system, with *Composite Charts*. This book is now the definitive book on astrological relationships. Here you'll learn:

- How to construct a composite chart
- How to synthesize natal, synastry, and composite charts
- The effect of the composite ascendant
- Composite house placements and aspects
- How current scientific thought verifies astrology

Filled with example charts, *Composite Charts* presents fully developed interpretations of all the chart factors. This will provide a solid foundation for any astrologer who wants to shed light on human relationships.

As a special bonus, a coupon for you to get a **FREE COMPOSITE CHART** is included in this book. **With this free chart and *Composite Charts*, you can begin to understand your relationships right away. Start by getting *Composite Charts* now.**
