Frederick Douglass

William S. McFeely

Frederick Douglass William S. McFeely

“A masterpiece....[W]ill rightfully assume its place as the standard biography of a truly great figure in the nation’s past.” ?*New York Newsday*

Former slave, orator, journalist, autobiographer; revolutionary on behalf of a just America, Frederick Douglass was a towering figure, at once consummately charismatic and flawed. His *Narrative of the Life of Frederick Douglass* (1845) galvanized the antislavery movement and is one of the truly seminal works of African-American literature. In this masterful and compelling biography, William S. McFeely captures the many sides of Douglass?his boyhood on the Chesapeake; his self-education; his rebellion and rising expectations; his marriage, affairs, and intense friendships; his bitter defeat and transcendent courage?and recreates the high drama of a turbulent era.
