Happy Trick-or-Treater George Boxlicker

Tony enjoys taking his children trick-or-treating around the neighborhood on Halloween but, this year, he was also in for a treat. Wanda, his horny and voluptuous neighbor asked him to join her after he had taken the kids home, and they had a fabulous time sexually. First, she he sucked him off, and this was followed by his eating the hotsy's pussy until she had a monumental orgasm. They concluded this tryst by fucking on her bed until they climaxed together. Tony and Wanda decided they would be getting together at every opportunity for more of the same.

This is a short story (approximately 5,400 words) about a man and a woman whose spouses can't or won't meet their carnal needs, so they get together for their mutual pleasure. Their sexual activity is described in great detail, and the language used is graphic and explicit. The book is intended only for mature adults who are not offended by fun sex between two people who are married, but not to each other.
