Jacquelyn Frank, *New York Times* bestselling author of the *Shadowdwellers* series, invites readers into a dazzling new world of unstoppable desire and danger..

As an Advocate for his colony, Julian Sawyer travels to Earth to bring back the Chosen--women who possess energy potent enough to help revitalize his people. The stunning, silver-clad beauty who strides into his club one night radiates a sensual magnetism unlike any he's encountered, and Julian realizes that Asia Callahan is not just Chosen, she is his kindra: his one true mate.

For months, Asia has tracked the beautiful and mysterious Julian across the country, convinced that he's behind the disappearance of her sister and a dozen other women. She's prepared to believe he's a ruthless killer, but when she presents herself as bait, she discovers that the truth is far more shocking. Taken to a strange, hazardous realm she never knew existed, Asia will face the ultimate choice--between abandoning the life she's always known, and forsaking a passion as dangerous as it is powerful.
