## **JOYFUL HAPPY SOUNDS!** Francis William Bessler

Francis William Bessler calls himself a divine naturalist, reflecting his firm belief God is in all things and all people. From this simple but profound premise, it follows God is present in all of us. We are all divine—but some of us don't know it just yet.

*Joyful Happy Sounds!* is a collection of 197 songs written over the course of a lifetime. Bessler's compilation includes songs written for *Master of Your Own Fate* and *Feeling Free*, two self-published cassette collections of commentary and music from the 1980s. Additionally, *Joyful Happy Sounds!* includes lyrics from *Summer Town*, a musical screenplay Bessler wrote centered on a fictional town of divine naturalists.

Bessler's lyrics reveal a fascination with the divine, nature, and the simple pleasure of living. The songwriter is unafraid to challenge traditional religious notions, including the demand that faith be independent of understanding and Jesus was a Jewish messiah. Bessler's thoughts on sin and divine judgment are equally thought-provoking.

But *Joyful Happy Sounds!* doesn't only contain theological arguments. Bessler's songs are a celebration of life—and a rousing declaration of humanity's divinity. These are, indeed, songs of joy and happiness.
