The Nook Survival Guide provides you with tips and tricks you can use upon unboxing your new eReader. This guide sorts through all of the unnecessary clutter of the official manual and gives you jargon-free, task-based instructions.

Instead of learning which buttons perform which functions, you will learn how to use those buttons to navigate your Nook to buy, read, and mark up your eBooks. Instead of presenting an arbitrary table of things you can do using the touchscreen, this book shows you how to accomplish the tasks you do most. Additionally, each set of step-by-step instructions is accompanied by a set of detailed screenshots to help you to confirm that you are on the right track.

This Survival Guide also goes above and beyond to show you hidden tips and tricks, such as the web browser. Other useful tips will help you to maximize your Nook's battery life, customize the settings, and even lend eBooks to your friends.
