As the man behind the unprecedented 1987 leveraged buyout of Beatrice Foods, Reginald F. Lewis established himself as a respected titan of Wall Street. His standing as the CEO of a billion dollar conglomerate while in his mid-forties surprised many, especially in light of his middle-class, African-American roots in Baltimore, Maryland. What prepared the young man who would become one of the world's most respected executives for this unimaginable rise to the top. What can be learned from the formative years that shaped and molded Reginald F. Lewis into an American success story. Lin Hart's informative and inspirational new book, *Reginald F.
