Y'shua: The Jewish Way to Say Jesus Moishe Rosen

"Long ago, the Jewish Scriptures predicted the coming of one who would redeem the world from evil and usher in a new order of living. This book examines those prophecies to see whether Jesus fulfilled them. If he did not, we Jews should reject them.

But, on the other hand, if Jesus really *is* the Messiah, we owe it to ourselves, to the world, and especially to the God of Israel to believe the Messiah whom He has sent.

At the very least, we should be willing to examine the evidence to see if it's so."

— The late Moishe Rosen, founder of Jews for Jesus

Y'shua: The Jewish way to Say Jesus is a Christian apologetic challenging Jews to examine the prophecies of the Messiah's coming and the evidence for Jesus as the Christ, and to respond to His claims.
