**Classic Starts™: Anne of Green Gables (Classic Starts(TM) Series)** Lucy Maud Montgomery

Following Sterling's spectacularly successful launch of its children's classic novels (240,000 books in print to date), comes a dazzling new series: *Classic Starts*. The stories are abridged; the quality is complete. *Classic Starts* treats the world's beloved tales (and children) with the respect they deserve--all at an incomparable price.

Lucy Maud Montgomery's classic tale, with its engaging heroine and evocative description of the Prince Edward Island landscape, never fails to delight youngsters. When Matthew Cuthbert goes to the train station to pick up the orphan he and his sister Marilla plan to adopt, he expects to meet a boy who can help on the family farm. Instead it's Anne--a talkative, dreamy, red-haired, freckle-faced 11-year-old little girl who transforms the Cuthberts' life forever and fills it with love and joy.
